PTSA AFTERSCHOOL PROGRAM RULES

One PTSA parent volunteer is **mandatory** and must be present for every afterschool class. Major duties include ensuring registered students are present by taking attendance before and after class. Volunteer for the MAD SCIENCE class will be asked to assist in some minor tasks. Classes will be cancelled if we do not have a PTSA member present for each week. Classes are taught by outside vendors, but a PTSA member/parent volunteer must be present. **All volunteers at Rose Hill Elementary must be approved by the Lake Washington School District every two years.**

Un voluntario de los padres es obligatorio para se cancelaran cada clase o la clase. Profesionales se ensenan las clases, pero un padre voluntario deben esta present.

Free Session: One parent that volunteers for the entire session will receive a 100% FREE session or two parents will receive 50% off an entire session. **To do this, email rheenrichment@gmail.com.**

**** You must first provide check or cash for the entire session and the PTSA will reimburse you for the weeks you volunteered.** Example: if you signed up to volunteer for all 8 sessions but missed 1 week, then we will reimburse you for 7 weeks.

If your child needs **special accommodations**, you are responsible to provide those accommodations. The vendors are not specially trained outside of their curriculum. We may require the appropriate approval from your child's teacher.

As a PTSA, we are **ALL VOLUNTEERS**. We **do not** take requests to guarantee your child's spot, there are no friend requests, and it is not the PTSA's responsibility to make special exceptions. Class sizes are limited and all classes are First Come and First Serve. Thank you for understanding.

*Students must be respectful of the class instructor and classroom during after-school classes. Any misbehavior will be reported to the student's parents as a first warning. **With a second warning, the student will be dismissed from the class without a refund.**

*On the day of class, parents should remind their student about class and tell them to go to the appropriate classroom after school, as well as send them to school with a snack and appropriate clothing. Contact your child's teacher with afterschool class info. as necessary.

*Parents must pick-up students promptly at the end of each class. **No bus services will be provided. The parent volunteer / the vendor IS NOT RESPONSIBLE for your child after end time. If picking up your child(ren) late becomes a problem, your child will be dismissed from the remaining classes without a refund.**

PARENT VOLUNTEER

This is a great opportunity to be involved and get a free class for your child. We need 1 parent volunteer for each class. If you are available we would love to have your help! Please contact rheenrichment@gmail.com for any questions.

Fall 2017 REGISTRATION

For Parents: Guide to 6crickets' After-School Registration

This is a guide outlining steps for registering after-school programs for your children. If you need any help beyond this, please feel free to contact our support team at support@6crickets.com or online chat at your school portal during working hours (8am - 5pm, Monday through Friday).

(1) Browse programs

To see the after-school programs, you can either follow the after school registration link on your school's website, or you can directly go to <https://www.6crickets.com/schoolportals> to find your school's portal. Once you are at your school's registration portal, you can see all the programs offered at your school. To learn the details of a program, you can click on the program or provider name. Each program may have multiple sessions for different days and times. Clicking on "Show in Schedule" allows you to see where each session fits into your schedule.

(2) See where a program fits into your schedule or see all programs in your schedule

To see where all programs fall into different days of the week, you can do so by clicking on

Show All Programs in Schedule

To see all the sessions for a single program, click the  button on that program.

(3) Enter your children's name and age to allow scheduling for one or more children

Before showing you the sessions, we ask you to enter your children's name and age. If you have more than one child, you can then create their schedules side-by-side.

(4) Add sessions to cart

In the schedule view, the sessions are organized into weekdays, and each of your children has their own column in the schedule. You can click on each session to view details. To add a session

to the cart, , click on  to save the session to your child's schedule and to add it to the cart. If a session takes place on multiple days during the week (e.g., Mondays and Wednesdays), the session will appear on both Monday and Wednesday slots, but you only need

to click on  once for one of the days.

(5) Check out all sessions in your cart

Once you are done with building your children's after-school schedule, you can then click on

 at the upper right corner of the page to check out all the sessions added to your cart. To show you the cart, we ask you to log in or sign up if you haven't already. Once logged in, you can see the sessions that you are checking out.

(6) Complete the student registration form just once

The next step is to complete your children's profile (student info, parents' info, emergency and pickup contacts, and medical information). You only need to fill out this form once across all providers and purchases.

(7) Payment information

The next step is to enter your credit card information. After you have entered your payment information you will be shown a payment summary. Once you have confirmed the payment summary details we will send you a confirmation email for your registration.

(8) Share schedule with other families to take classes and camps together

You can also share your whole schedule, or individual classes in your schedule, with your children's friends and classmates in the school so that your children can have more fun taking classes together.

PROGRAM RULES

1. Students must be respectful of the class instructor and classroom during after-school classes. Any misbehavior will be reported to the student's parents as a first warning. **With a second warning, the student will be dismissed from the class without a refund.**
